

# Berberine-Evail™

400 mg Highly Bioavailable Berberine

ENDOCRINE/METABOLISM\*

Berberine-Evail™ is a highly bioavailable form of the plant alkaloid, berberine. Berberine is a botanical extract that influences multiple pathways in blood sugar and lipid metabolism and supports normal insulin function.\* It has a range of effects on cardiovascular health including the support of healthy vessels and a normal response to oxidative stress and inflammation.\* Berberine may also promote healthy microbial balance in the gastrointestinal tract.\*

Designs for Health's proprietary Evail™ emulsification technology is designed to enhance the bioavailability and absorption of bioactive ingredients. The Evail™ process uses a quillaja extract, along with delta- and gamma-tocotrienols, and medium-chain triglycerides (MCTs) to support the absorption of berberine.

## Benefits\*

- Blood sugar metabolism
- Insulin function
- Healthy cholesterol metabolism
- Healthy weight management
- Gut microbial balance

## Highlights

- 400 mg of berberine per softgel
- Formulated with the Evail™ process that includes MCTs and quillaja extract for enhanced nutrient absorption and bioavailability
- Contains non-GMO ingredients
- Gluten-free and dairy-free

## Recommended Use

Take 1 softgel twice daily with a meal or as directed by your health-care practitioner.
