

# EssentiaGreens™

Phytonutrient Greens + ORAC Proprietary Blend

FOUNDATIONAL HEALTH\*

EssentiaGreens™ powder combines a proprietary blend of greens, vegetables, and fruits that contain many essential nutrients and bioactive polyphenols to support nutrient status and overall health.\* It also features an oxygen radical absorbance capacity (ORAC) propriety blend to support antioxidant status in the body.\* This formula also provides enzymes and prebiotics to support digestion and absorption.\* EssentiaGreens™ has a delicious orange-cranberry flavor and mixes easily into beverages.

Physicians and nutritionists recommend a diet rich in brightly colored fruits and vegetables because they contain essential nutrients and phytonutrients that promote normal physiology and support overall health. The phytonutrients in EssentiaGreens™ support the body's antioxidant status to help protect against potential free radical damage.\* These phytonutrients also promote a healthy inflammatory response and they may support normal detoxification.\*

## Benefits\*

- Supports antioxidant status
- Supports nutrient status
- Promotes a healthy inflammatory response
- May support normal detoxification function

## Recommended Use

Mix 10 grams (approximately one scoop) in water per day or as directed by your health-care practitioner.

OxyPhyte® is a registered trademark of RFI Ingredients.
