

PaleoReds®

Phytonutrient Blend

FOUNDATIONAL HEALTH*

PaleoReds® combines more than a dozen fruits and vegetables and their phytonutrients from the red and purple food groups to help support optimal health.* The proprietary blends combine a variety of fruits and vegetables with a range of phytonutrients and nutrients to act synergistically to promote health.* The grape skin extract is standardized to resveratrol and the pomegranate is standardized to ellagic acid, which are phytonutrients with extensive research demonstrating their potential health benefits.

Consuming fruits and vegetables supports overall health. Physicians and nutritionists recommend a diet rich in brightly colored fruits and vegetables because they contain essential nutrients and phytonutrients. The great-tasting PaleoReds® fruit and berry formula is rich in phytonutrients to support antioxidant status in the body, and promote a healthy inflammatory response and immune function.*
