

Twice Daily Multi™

Simplified multivitamin and mineral complex

□ TDM060 | TDM120 | TDM240 – 60, 120, 240 vegetarian capsules

Twice Daily Multi™ is an extensively researched blend of premium vitamins and minerals that may be challenging to obtain from diet alone. Even well-balanced diets may struggle to meet our nutritional requirements, especially during times of occasional stress, intense exercise, suboptimal digestion, illness, or other circumstances. Incorporating a high-quality daily multivitamin/mineral supplement can provide a reliable foundation for essential nutrients to help you feel your best with just two capsules per day.*

FOUNDATIONAL HEALTH*

Supports foundational needs of essential vitamins and minerals*

Supports antioxidant status*

Promotes optimal health beyond the RDA*

JUST THE FACTS:

Compare supplement facts to the leading brands

- Forms similar to what is found in whole foods to support vision, immune function, and cell growth and development*
- Supports collagen production, skin and blood vessel health, healthy immune system, iron absorption, and adrenal health for a healthy stress response*
- Supports healthy bones and arteries*
- Bioactive and bioidentical forms for better absorption*
- Promotes optimal folate status* (most over-the-counter supplements use folic acid, which may have undesirable effects)
- Supports optimal thyroid hormone production and conversion, metabolic rate regulation, and antioxidant status*
- The superior form of vitamin E for cell membrane health and overall antioxidant status support*
- An important trace mineral, for additional bone health*
- Chelated minerals for better absorption and use by the body*

Calcium, magnesium, iron, and copper are not included due to variations in dietary intake of these minerals. It is advisable to personalize supplementation based on age, sex, health status, genetics, and other variables. Consult with your health-care practitioner about your specific circumstances and any questions you may have.
